Who's it for?

Teens in local middle and high schools

What's it for?

L.i.T.E. is a after-school program where teens can feel free to discover new things about themselves and their community through valuable life

experiences. Each month we explore a different theme, designed to help teens build important life skills.

What do you do at L.i.T.E.?

Your LiTE staff

Your L.i.T.E. staff counselors are here to make sure you have a great time – and they're easy to talk to, friendly and drama-free!

Make a difference

We complete community service projects, hear about current events from leaders, learn about local and world history, and work on building teamwork and communications skills.

Focus on the future

Teens can access information on college, careers and personal finance.

Get out and about

Take regular field trips to local businesses, city parks and historical monuments.

Have FUN!

We go to the movies, bowling, and other places to hang out and get to know new friends.

When is it?

During the school year, we meet Monday through Friday, from 2:30 p.m. to 5:30 p.m.

We have our own buildings at Pine Avenue Park and Holiday Park in Carlsbad. The L.i.T.E. buildings are safe, easy to get to, and loaded with stuff to do.
